

BARE DERMATOLOGY

July 25, 2026

To our valued patients,

We are writing to inform you that Dr. Edward Zabawski will be leaving Bare Dermatology effective August 29, 2026. Dr. Zabawski has been an important part of our practice, and we are sincerely grateful for the excellent care he has provided to our patients during his time with us. Beginning August 31, 2026, Dr. Zabawski will be practicing with:

JPS Health Network
Adult Outpatient Dermatology
Fort Worth, Texas

While we will miss Dr. Zabawski, we wish him all the best in his future endeavors. We want to assure you that your dermatologic care will continue seamlessly with our exceptional team of providers at Bare Dermatology. Dr. Brooke Walterscheid, and Andrea McLin, PA-C are available and look forward to continuing your care with the same level of attention and expertise you have come to expect.

Your medical records will remain securely on file with us, and there is no action required on your part unless you choose to transfer your care or your records elsewhere. If you wish to do so, please contact our office, and we will be happy to assist with the transfer of your records.

If you would like to continue your care with another Bare Dermatology provider, our team will be glad to help you schedule your next appointment. Please contact us at 972-483-9228 or info@barederm.com, or visit www.barederm.com for more information.

Thank you for the trust you have placed in Dr. Zabawski and our entire Bare Dermatology team. We remain committed to providing you with the highest quality dermatologic care.

Warm regards,

Bare Dermatology
1200 Crawford Ave, Suite D
Granbury, TX 76048
Telephone: 817-661-1520

Andrea McLin is a board-certified Physician Assistant with more than 16 years of clinical experience, including the last 8 years dedicated to dermatology. She specializes in the diagnosis and treatment of acne, rosacea, psoriasis, eczema, and skin cancer concerns, with a strong focus on prevention, early detection, and patient education.

Originally from Kansas, Andrea earned her Master of Physician Assistant Studies degree from Wichita State University and completed the Diplomate Fellowship program through the Society of Dermatology Physician Assistants. She remains committed to providing evidence-based care and staying current with the latest advances in dermatology.

Dr. Brooke Walterscheid is a board-certified dermatologist and fellowship-trained Mohs surgeon specializing in skin cancer prevention, early detection, and treatment, as well as cosmetic dermatology.

A native North Texan, Dr. Walterscheid grew up in nearby Muenster and attended Texas Tech University Honors College. Dr. Walterscheid completed her dermatology residency at Texas Tech University, serving as Chief Resident. She then completed a prestigious Mohs Micrographic Surgery and Dermatologic Oncology Fellowship at Cleveland Clinic, where she developed specialized expertise in treating complex, high-risk, and rare skin cancers. Her fellowship also included advanced reconstructive surgery, focused on restoring function while preserving patients' natural features.
